**Community Engagement Programme Seminar 14 April**

Community Engagement Project (CEP), is a partnership between the Metropolitan Police Authority (MPA), Metropolitan Police Service (MPS) and the Safer London Foundation, the charitable arm of the MPS.

In 2008, CEP presented a Seminar on the '7 Stage Police Model' and 'Problem Solving'. Approximately five hundred people from the Safer Neighbourhood Panels (SNPs) and Community Police Engagement Groups (CPEGs) attended the thirty-four Seminars we held across London.

CEP now wish to invite you and your panel to Stage 2 of the CEP project; another Seminar that has been designed specifically for SNPs. We will be delivering new Seminars across London on 'Anti-social Behaviour' and 'Understanding the Extended Police Family and Partnerships.' These topics were chosen as a result of feedback from those who attended that last CEP Seminar.

Although the Seminars are aimed primarily at Chairs and Vice-Chairs, please pass this invitation onto your panel as everyone is welcome. If you are unable to attend the date allocated to your Borough, you can book a place at another Borough – please just call or email us for a list of these dates.

The Lambeth CEP Seminar will be on

**Tuesday 6pm-8pm 14 April at  
Lambeth HQ Control and Command,  
2nd Floor conference Room,  
109 Lambeth Road,  
SE1 7LP**

Please RSVP by calling me on 020 7202 8516 or email [billycotsis@saferlondonfoundation.org](mailto:billycotsis@saferlondonfoundation.org).

Please note the seminar is FREE and light catering will be provided.

### **CEP Project and Conference**

The CEP project will be working with Safer Neighbourhoods Panels (SNP) and Community Police Engagement Groups (CPEGs) to provide chairs and/or their representatives with information and support so that they could carry out their monitoring and scrutiny roles more effectively.

Over two years, the CEP project will coordinate four Seminars in all London Boroughs. CEP Seminars will be delivered by MPS trainers. Light catering will be provided.

Furthermore, a CEP e-newsletter for Panel chairs has been created and I would like to hear from your Panel about any experiences or comments that you wish to contribute. To become involved with the e-newsletter, please e-mail [malihakorotana@saferlondonfoundation.org](mailto:malihakorotana@saferlondonfoundation.org).

In addition to the Seminars a conference will be held at City Hall on Saturday, October 3 between 10:00am – 4:00pm. The Conference will be an opportunity to learn more about Safer Neighbourhoods, Best Practise Examples, Community Engagement and Networking. Like the Seminars, the conference is also FREE to attend. However, there are only limited places available. If you would like to attend or require further information, please contact the number above.
