### **Community Engagement Project**

Three individuals were interviewed to undertake the task of leading this project, which aims to devise a comprehensive community engagement strategy for the Safer Lambeth Partnership. Catriona Robertson – who many will know from Clapham and Stockwell Faith Group – was invited to undertake the role. As well as a good knowledge of Lambeth and its issues, Catriona demonstrated a seasoned understanding of the challenges of engagement as well as practical experience of outreach and mapping.

Catriona is now getting the project underway – see attached flyer.
